

prjPrograll.Layer.Business
_Logic.BLLLocalidad.Get

```
graph LR; A["prjPrograll.Layer.Business  
_Logic.BLLLocalidad.Get"] --> B["Interfaces.IDALLocalidad.Get"]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text "prjPrograll.Layer.Business" and "_Logic.BLLLocalidad.Get" on two lines. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "Interfaces.IDALLocalidad.Get" on a single line.

Interfaces.IDALLocalidad.Get
