

Form

```
graph BT; A[prjPrograll.frmTipoEvento] --> B[Form];
```

A UML diagram illustrating inheritance. A light gray rectangular box at the top contains the text "Form". Below it, a darker gray rectangular box contains the text "prjPrograll.frmTipoEvento". A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating that "prjPrograll.frmTipoEvento" inherits from "Form".

prjPrograll.frmTipoEvento
