

prjPrograll.Layer.Business  
\_Logic.BLLCliente.Existe

```
graph LR; A["prjPrograll.Layer.Business  
_Logic.BLLCliente.Existe"] --> B["Interfaces.IDALCliente.Get"]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text "prjPrograll.Layer.Business" and "\_Logic.BLLCliente.Existe" on two lines. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text "Interfaces.IDALCliente.Get" on a single line.

Interfaces.IDALCliente.Get
